SSC-55 AND SC-56

Dear Doug:

25X1A

On August 23 I wrote a letter requesting that you forward to us a listing of payments made by you to [REDACTED] on the contracts noted above, said list to supplement the listings previously furnished us for our audit purposes. To date we have not received your reply. We would appreciate your prompt action inasmuch as our audit is waiting only for this listing to complete the audit through the current date.
